Dear Readers,

Praise be to Allah SWT for the publication of the April 2026 edition of the Journal of Public Administration. In this edition, the Journal of Public Administration is presented in a format that follows the journal publication standards established in the Regulations and Guidelines for the Accreditation of Periodicals.

As with previous editions, the editorial board hopes that the articles published meet these established standards, ensuring the scientific rigor, originality, and procedural integrity of the journal's publications. As a result, back-and-forth revisions between peer reviewers, the editorial board, and contributors are unavoidable. This process will also be beneficial for contributors as a learning experience to begin adapting to the standards and mechanisms applicable both nationally and internationally.

We would like to express our sincere appreciation to *Andi Rahmat Nizar Hidayat, Tri Cahyo Nugroho, Misbahuddin, Sutrisman Basir, Muh Zhohirul Haq, Gita Susanti, Sofiyanto, Rio Anggita Kurniawan, Wening Tyas Suminar, Taufik Rizal, A. M. Rusli and Suhardiman Syamsu* that has been consistently working in revising the manuscript based on the review results of reviewers and editors. The editorial team would also like to express its gratitude to the STIA LAN Makassar Polytechnic for its continued financial support and for encouraging professionalism and objectivity in this publication.

The editorial team would also like to take this opportunity to invite prospective contributors who wish to publish their research findings to submit their writings to the editorial team immediately. Finally, we hope that this publication will be beneficial to readers, contributors, and the Indonesian people. Best regards.
